

# SCMEBF PARTICIPATING TAX PROVIDERS

Members may call one of the following Tax Preparation Providers to make an appointment. Please confirm the participating status of the provider before making the appointment. The fee for the long form (Federal 1040 and NYS), along with Schedules A (Itemized Deductions) and B (Interest Income), will only cost the member \$5.00 \*, plus the Fund's payment. If other IRS forms and Schedules are required, the provider's fee schedule shall be discounted a minimum of 25% for their preparation. The member is responsible for the payment of these fees at the time the return is prepared and must present the Fund's Tax Voucher to the preparer for signature and processing through the Fund.

**FOR NON-PARTICIPATING PROVIDERS** - The voucher is to be completed by the preparer, signed by both the member and the preparer, and submitted to the Fund, along with the original paid bill on preparer's original letterhead AND a copy of pages 1 and 2 of your 1040 filing with the tax preparer's name on page 2. These items MUST be presented in order to receive reimbursement. The only required information on the tax form is the top portion of the first page, indicating the member's name and dependents. The tax preparer's name must be shown on the last page. The financial information and social security numbers are not required to process the claim and may be removed or covered prior to filing your voucher.

**FOR "DUAL MEMBERS"** - When using any of the providers listed above, there is no additional \$5.00 out-of-pocket charge to "Dual Members" (spouses, who both are members of Benefit Fund, filing a joint return & each presenting a tax voucher) for the preparation of the long 1040 tax form, Schedules A and B, and related NYS return. The Fund's payment to these providers for one member is \$70.00 and \$5.00 for the spouse, totaling \$75.00. "Dual members" are eligible for an additional \$65.00 reimbursement on their joint tax return... to be applied towards any additional "tax schedules" necessary for the completion of their joint tax return.
