A message from Chairman Levler on the current status of your Fund:

The AME Contract ratified in 2019 resulted in the ability for the Board of Trustees to make some exciting changes at your Suffolk County Municipal Employees Benefit Fund. The Fund went from a joint Labor/Management Board of Trustees, to a unilaterally Union Trusteed Fund. Along with this came an increase in contributions from Suffolk County, the first increase in contributions since 2012. As a result of both these actions, the Union Trustees diligently reviewed the finances and benefits structure of the Fund in an effort to not only continue to deliver the current benefits, but to enhance them as well.

We are proud to share what the Union Board of Trustees unanimously adopted as Fund benefit improvements and additions:

Starting January 1st, 2021

Dependents

All eligible, enrolled dependents will have ancillary benefit coverage up to the date they turn 26, regardless of student status. This is a great expansion that will allow all eligible dependents younger than 26 to enjoy benefit coverage for dental, vision, hearing aid and prescription drug copayment reimbursement.

Dental Benefits

We have returned to Healthplex (1-866-717-1869) as our dental plan provider and we were able to greatly enhance dental benefits for members on COBRA. This will allow the Fund to increase the size of our dental provider network greatly, with over 3000 new dentists added in Suffolk and Nassau Counties alone. It also includes one of our most requested items in dental; implants. Starting January 1, 2021 up to 2 implants a year will be available at no cost to the member or dependents, and with no lifetime maximum on implant procedures. We have attached an overview sheet on dental enhancements and will provide you a complete list of all changes before 2021.

Prescription Drug Copayment Reimbursement Benefit

The Prescription Drug Copayment Reimbursement benefit has been increased to cover copayments up to \$25 per prescription. This benefit threshold remains as previously available for prescription drugs covered by your health plan's prescription drug plan. Also, we have increased the family yearly maximum to \$400 which continues to reimburse at \$1 per qualified prescription over the \$400 threshold. This is in immediate effect and applies to all 2020 prescriptions. We were able to offer this increase while keeping all other rules of the program for this benefit unchanged.

Optical Benefit

The Fund's Optical Benefits program has been increased to cover up to \$100 annually for members or eligible, enrolled dependents receiving an eye exam and purchasing eyeglasses or contact lenses. Participating providers are now offering the following enhancements for members using our Vision Voucher:

- Examination only (with Tonometry) \$20 - increase to \$30
- Any frame in the store with a retail value of up to \$140 - increase to \$155
- Anti-Reflective Coating \$30 - reduce copay to \$25
- Ultra-Thin Hi Index Lenses \$60- reduce copay to \$55
- Transition Bifocal Lenses \$60 - reduce copay to \$50
- Progressive Sun-Sensitive Lenses \$110 - reduce copay to \$80

December 2020

Dear Member:

Together, I, as the Chairman, and the entire Board of Trustees of the Suffolk County Municipal Employees Benefit Fund are excited to announce the implementation of our new Platinum Dental Program. The Board has worked diligently to reinvest our savings into programs which provide comprehensive, enhanced services to our Members! For years, you have asked for a superior dental plan, and on January 1, 2021, we are launching the new Platinum Dental Program in partnership with Healthplex.

How this program works for you?

Enhancement	Definition
Annual Maximum	Unlimited
Nationwide Network	The Healthplex National Network has over 570,000 dentists across the country making it so much easier to find care in-network and save money!
Orthodontic Maximum	\$2,000 per adult/child.
Implant Benefit	No more lifetime maximum on implant services! Effective 1/1/2021, covered members and dependents will be allowed two implants per calendar year.
Dependent Coverage	Covered to age 26. Student status not required.
Alternate Benefits	As deemed medically necessary, this plan will also allow the following: porcelain crowns on anterior & posterior teeth, composite (white) fillings on posterior teeth, and fixed bridges in lieu of removable partials.
Mobile App	Coming Soon!

Take a look at the count of providers gained in the Nassau and Suffolk areas!

Specialty	# of New Providers	Specialty	# of New Providers
General Dentist	3,950	Orthodontics	389
Oral Surgery	324	Periodontics	302
Endodontics	208	Pedodontics	61

Enclosed with this letter you will find a provider search flyer to assist you in finding an in-network dentist. If you do not find your preferred dentist on this list (which can also be found on the Fund's website), please email Healthplex at salesinfo@healthplex.com and let them know so that they can begin recruitment efforts with that provider. When referencing this dental program with your dentist, please inform them that this plan utilizes the CareMax network. We also suggest that they verify the plan benefits on the provider portal at healthplex.com.

In December, you will be receiving a Dental Benefits Summary and your new dental ID cards, so please be on the lookout for them. Your Benefit Fund ID number will stay the same. As always you do not need to have your card to receive services.

Your dental plan allows you to choose any dentist you wish; please be advised that non-participating dentists may charge over the out-of-network scheduled allowance, though, which could be costly to you. Before seeking treatment, verify if your provider is in-network to reduce your out of pocket expenses.

Once you receive your ID card, feel free to contact Healthplex's dedicated customer service department, available Monday – Friday 8:00 a.m. to 6:00 p.m., by calling 1-866-717-1869. with any plan benefit questions that you may have regarding your new dental plan.

Healthplex is honored to work with our members and we are confident in the choice we have made in working with Healthplex to give you this improved dental plan.

Sincerely,
