The Benefit Fund is aware of the data breach at Healthplex. Healthplex's investigation revealed the breach was limited to a single employee opening a phishing email in November of 2021. There is no indication that any Benefit Fund member data was directly affected. And no incidents of fraud have been detected. The letter and Life Lock subscription are standard practice for Healthplex for an incident of this nature.

We encourage you to take advantage of the life Lock offer and remain vigil watching over your accounts. If you have any questions or do notice any unusual activity, please contact the dedicated toll-free hotline Healthplex provided...

Monday – Friday between 8:00am and 6:00pm EDT. The toll-free telephone number is **866-540-5917**.
